

## Concrete Hoppers

Concrete Hoppers - This attachment is a self-dumping hopper that automatically activates to unload as bumper release touches the side of a dumpster. As soon as unloading is finished, the hopper goes back to an upright and locked position. This particular piece of equipment likewise comes along with a cable that enables operation from the seat of the lift truck in order to have the choice of manually unloading the hopper. There is a locking chain provided so as to lock the hopper to the fork truck. This product is made with reliable and consistent robotic welds for utmost strength. The forklift dumping hopper also has a blue powder coat finish to be able to maintain durability.
